ROUNDHOUSE OF DREAMS GALA CELEBRATING 50 YEARS SATURDAY, OCTOBER 22

1961 - 2011

Make your plans now to attend our final 50th Anniversary event, a gala event with a difference that will be held on **Saturday, October 22** in the CN Roundhouse & Conference Centre. This event will be different in format and a bit less formal than the gala held in February this year, with an evening full of great food, fabulous live music, and fun for all. And, it will also benefit the WCRA and our work to get the roundhouse completed and doing all that it is capable of for us and the community.

Enjoy the CN Roundhouse (that was part of our dreams), showing off its finest with:

- **Food stations** around the venue for you to taste a variety of special freshly prepared dishes
- **No host bars** featuring your favourite beverages (your choice, alcoholic or non alcoholic)
- **Live music** for your listening and dancing enjoyment by *Circle of Friends*
- **Silent and live auctions** with some great things to bid on
- **A special art commission** by **Paul Ohannesian** featuring the business car *British Columbia* and the Royal Hudson (prints also will be available for sale)

Dress will be “classy casual” (jacket and tie not required) - come dressed for fun!

Note: A special bus will operate from Vancouver at a cost of \$25 per person round trip.

Tickets for this great evening will be just \$100 + HST each (table of eight \$800 + HST) and are available by calling the WCRA office at 604-681-4403, the Heritage Park in Squamish at 604-898-9336. A charitable tax receipt for \$25 will be included with each ticket purchased.

We look forward to a great celebration to cap off our 50th year and hope that you all join with us as we move forward into the future.
